

Dear Parents,

It's the beginning of the school year and I know how excited your children are. They have an opportunity to learn new things and make new friends. Part of the excitement of starting a new school year is to buy new clothes and new school supplies. I'm sure all of you remember how thrilled you were when you had the opportunity to pick out your new backpack, notebooks, etc. Children love to go shopping for their new school supplies but not all children get to experience the joy of having something new to start off the school year. This is why we are asking you to please donate new school items to School On Wheels and make a difference in a homeless child's life.

School On Wheels helps educate homeless children. Every week, hundreds of School On Wheels' volunteer tutors give hope, educational assistance and support to the thousands of homeless children living in Southern California. They provide one-on-one tutoring for homeless kids who live in shelters, motels, group foster homes and on the streets. In addition to weekly tutoring and mentoring, every student receives a backpack, school supplies, and uniforms. Students get assistance enrolling in school and with locating and filing school records. They do all of this with no government funding. They survive through the donations of people like you who believe that every child has potential.

On behalf of all the children in Room 1, I am asking you to please help us support School On Wheels.

Thank you,

Mrs. Cronrod
